# About the National Youth Education Summit (Y.E.S.)

Each summer, up to 50 high school students from around the country, come together for a week of hands-on learning experiences and networking in our Nation's Capital through the NRA's Youth Education Summit (Y.E.S.) program.

The mission of Y.E.S. is to give students an opportunity to expand their knowledge of our American government, Bill of Rights, and the U.S. Constitution; encourage them to become active participants in the uniquely American democratic process; and give them the tools and confidence to return to their communities as articulate, committed leaders on behalf of the Second Amendment.

The week wraps up with a celebratory banquet where up to \$50,000 worth of scholarships is awarded to those outstanding students who embody leadership as both individuals and as a collective. Students with an interest in becoming NRA Ambassadors for a year can submit an additional application for the \$25,000 Grand Scholarship.

Entry into the Y.E.S. program requires submission of a completed application form, high school transcript, a three-page essay on the Second Amendment, a one-page personal statement, and three letters of recommendation. These students are the best and brightest among their high school peers, actively engaging in academic, leadership, and community service.

Since its inception in 1996, more than a 1,000 students have graduated from Y.E.S and over \$600,000 in scholarships have been awarded.

Dear Sir or Madam,

Thank you for taking the time to complete a recommendation for the Y.E.S. applicant. Letters of recommendation are an integral part of the Y.E.S. application. Therefore, your most earnest and observational thoughts on the student's qualifications are of great importance.

We have asked that the prospective Y.E.S. student give you as much time as needed to write a letter that thoroughly examines and highlights the applicant's strengths and weaknesses. Please note that students will not be judged on weaknesses - per se; our purpose for the letters of recommendation is to give us insight and perspective on the applicant's judgment, dependability, interpersonal skills, attitude, and initiative. We hope to gain a clearer picture of the applicant with this portion of the application, in addition to his or her GPA and essays.

Please attach one letter of recommendation (1-2 pages) citing your understanding of the individual's qualifications for Y.E.S. Specific examples of behavior and acts of ambition are beneficial to the applicant. My contact information is listed below. Please do not hesitate to contact me with any questions.

## **Grading Criteria**

- 1) Cumulative GPA on a 4.0 scale. This helps to show students are dedicated, and have a good work ethic.
- 2) Extracurricular Activities. These show a student's leadership ability and experience, the ability to plan and balance time, varied interests, and determine if a student is active in their community.
- 3) Second Amendment Essay. The essay displays a student's research and writing abilities. Strong arguments, academic research, and correct grammar and citations are expected.
- 4) Personal Statement. The personal statement should give a glimpse into a student's personality and their desire to come to Y.E.S. that cannot be garnered from the other parts of the application. Students should also share what it is that they hope to gain from this experience, and how it could impact them and/or others.
- 5) References. The reference from those that know a student allow for the application committee to see a different perspective on the student, and to hear about how a student interacts with others.
